

Horizon has always been dedicated to the needs of its members, therefore we have chosen to change check printers to Deluxe. The reason for this change is to help keep the cost of ordering checks low, the savings will be from \$3.00 to \$6.00. Changing to Deluxe checks is just another way to provide you, our members, with the most efficient and cost-effective solutions possible.

This change will go into effect as of February 1, 2010, all **first reorders** of checks must take place at your local branch office. Whether you want to stop in the office, fax or mail it in. The styles are very similar, go to [www.deluxe-check-order.com/ProductCatalog.jsp?SECURE=TRUE](http://www.deluxe-check-order.com/ProductCatalog.jsp?SECURE=TRUE), then on the left click on All Checks to find a style you like.

An additional benefit to you, our members, will be Deluxe's innovative flat packaging, which is more streamlined to accommodate postal automation and keep delivery costs down. Each flat package contains a regular box for your check storage purposes. The flat package also provides added security due to its design, which is inconspicuous compared to the old, easily identifiable check box.
