

Financial One-on-One

In our youth, we were taught addition, subtraction, etc. Yet, most of us were not taught about Personal Finance.

Horizon sees the need for financial education. We cannot sit back and ignore it. We want to be able to assist our members!

In 2012, we are welcoming in the new year with *“Financial One-on-One”* for our members. This service will give each and every member the opportunity to sit one-on-one with our Financial Education Coordinator, Amanda Johnson, and talk about topics including, but not limited to: Ways to Save, Checking, Products and Services, Credit Reports or Identity Theft. All you need to do is call your branch office to make an appointment.
