

Business Account Services Secure, Fast, and Easy

When it comes to managing your business accounts, we believe it should be a simple and secure task.

If you ever feel like there are not enough hours in the day to get things done for your business, you're not alone. Between paying vendors, checking balances, and managing staff, we know it isn't always easy for you to oversee your accounts 24/7. That's why Horizon offers convenient business account services to save you time and money.

From reducing paper to increasing accessibility, our business account services range from free mobile banking to getting directions to the nearest ATM. We want to make accessing your business accounts quicker and more secure.
