# The Pros & Cons of Online Colleges

## ✔ PROS

- **Flexible schedule -** go at your own pace
- **Easy to work** while attending
- **Residential costs are much lower**
- **Convenient -** "attend" class from anywhere
- **Same degree** as conventional classroom
- **More up-to-date curriculum**
- **Lower tuition and book costs**
- Shows **technology skills** to employers
- **Lower commitment** for non-degree seekers
- **No commute**

## ✘ CONS

- Requires **more personal discipline**
- **No social "college experience"**
- **Less financial aid** availability
- **More "scam" colleges** i.e. Corinthian
- Less in-person **networking** opportunity
- **Limited course offerings**
- **Technological requirements**
- Lack of **"hands-on" activities**
- Some grad schools **may not accept degrees**
- **Less 1-on-1 time** with instructor
